To WEST AUSTRALIANS

The London correspondent of the WESTAUSTRALIAN cables to that newspaper every Saturday the names of visitors to the club, with the intimation that they are well and send greetings to their relatives and friends. Westaustralians who wish to be included in these cables are invited to enter their names in this book, giving surname, christian names, rank, branch of service and home town.

The correspondent attends the club on Friday afternoons when he will be glad to have a chat with any Westaustralians, or a letter to Edwin Pre... the Westaustralian office, 85 Fleet... will receive attention.
